New age chart- still school age

Still working on becoming our own 501c3 with Mr. Myers. Hoping to be completed by end of September. DCYSA will no longer have to rely on Booster Clubs for 501c3 status.

New Waivers for medical and Covid are to be used.

DCYSA is going to proceed to play with a plan in place for Covid.

Plan:

Mask required but will not be policed. Signs will be made visible at all fields and entrance gate. Parents will be responsible for their own child. They will need to provide their children with their own water and must do a temperature check prior to any practice or games. It will be the parent's responsibility to disclose any illness to the proper person. Games will only be held at fields that are not at a school. (Welcome, Arcadia, Reeds, Churchland and Midway). Games will have a 30-minute break in between ending and next one starting to give everyone time to leave and the next group to come in. This will hopefully allow us to not have as many people at the field at one time. We urge everyone to not linger after the game. Teams will be on each side of the field and spectators will sit behind their prospective teams. Families are urged to sit with only members of their own house hold and social distance from other spectators. Practices may be held at coach's homes to help reduce the number of people at the field at any given time. Coaches need to let Tasha or Rick know their address so their homeowners will not be responsible for any injuries, etc. DCYSA will hold that responsibility. Fields with no permanent bathroom must have a handwashing/hand sanitizing station. These plans are subject to change at any given time.

This season will have 5 games instead of the usual 8. Games will be held at Welcome, Arcadia, Reeds, Churchland and Midway. Midway will not host U12-U14 games, instead, Arcadia will do it for them. There will be 1 tournament to be held during the week. Roger Motioned, Amber Seconded.

Tasha Lanier Resigns as President and appoints Rick Cisneros.

Rick then appoints Jordan Harris as Vice President.
