

Meeting Minutes for 8-18-2020

Rick called meeting to order at 6:01pm

Matt second.

Sign up numbers are relatively low so far.

Our goal is to just get kids to play even if we only have 1 team per community.

Look at possibly combining communities to get full teams.

September 1st, we should have more guidance as to how to proceed with our season.

Coaching process has changed. Every coach must fill out the new Risk Management Forms. Sooner rather than later.

Schedule Change: Reeds and Arcadia have switched weeks. Arcadia will still host U12 & U14 for Midway on Sunday.

Mason has quotes for hand sanitizing stations. There will be 3 total and will be stored at Midway. Mason will transport as needed to the 3 locations without permanent bathrooms. The total will be \$450/month. DCYSA will pay for this.

Covid Contingency Plan: If we get a positive test, we will disinfect all heavy touched areas. Example: any rails, etc

Add Covid talking points to the website. Direct any questions from parents to DCYSA.org for clarification.

There will be no meeting on 8-28-2020

Rick motioned to close at 6:43 and Scarlett second.
